

JK 2010 Maps

If you were unfortunate and not able to come to JK 2010 and would like your maps please send an A4 (foolscap) envelop with 66p postage to Erik Peckett, The Haven, Gabwell Lane, Stoke in Teignhead, Newton Abbot TQ12 4QN

On the back of the return envelope please print your Name, Age Class and if you know it the course number you would have run.

The 66p will cover you for two sets of results. Please put enough postage if you want more sets as the Post Office Penalty is horrendous and you will have to get to the Sorting Office to collect it.

You can them look at RouteGadget and see where you might have run. It will not however give you the right impression of running in the rain the rain at Bicton or in the rain and mud at Cookworthy.
